Data Privacy:

All of the information given above will be kept as a computer record and hard copy, whilst necessary, for the ongoing administration of the Society as detailed below. Once it is not required, it will be permanently deleted.

Specifically, with your indicated agreement, it will be used for the following purposes (please initial box if you agree)

To maintain a comprehensive membership list

To contact you personally where necessary about upcoming events or your membership (e.g. renewal reminder, checking data)

To potentially add you to a group e-mail list for general notifications from the Society should we choose to compile such a list (note the current Yahoo group list requires positive action from members to join so coverage is partial)

To periodically analyse the numbers, demographic and geographical distribution of the membership to assess such things as appropriate locations for facilities or events and suitable membership fee structures.

In addition to the information provided on this form, Bristol Astronomical Society may keep other information that is necessary for statutory purposes or for the Society's business. The Society does not sell information about members. The Society will not publicise or place on the web, information about you without your permission.

The Society does not record any of the information supplied by you on the Bank Standing Order form. Information is kept and managed by unpaid Society members. Accuracy is not guaranteed and will be maintained by best endeavours. You may request a copy of the data held about you at any time. The Society's full Information Use Statement is available from the Membership Secretary.
